Skydiving

The ultimate adrenaline rush.

Tandem skydiving is a safe and responsibility-free way for you to experience the exhilarating feeling of free fall and the serenity of a parachute ride with the minimum of training. The passenger is along for the ride of their life while the tandem master has all the jump responsibilities.

Once all the formalities are complete, the Tandem-master will train you on basic aircraft exit techniques, freefall and landing procedures. You will be ready to go after watching a short tandem video.

A scenic 25 minute plane ride with views of the Winterberg and eastern coast line, will take you to 10,000ft (3km) above the ground. Leaving the aircraft secured to your tandem master and freefall for 35 seconds. The parachute will open and you will enjoy a canopy ride of around 10 minutes to a gentle landing in front of the club house.

A DVD option is also available for Tandem Skydive.
