

City Tour

Our tour starts with a brief look into the region's pre colonial history, beginning with the San, Khoikhoi, early Portuguese explorers and Dutch farmers before journeying to the historical heart of Port Elizabeth to explore its wealth of colonial and post colonial architecture and learning about the fascinating and tragic love story behind the naming of our city.

Visit the popular places of interest, including; Fort Fredrick (the first colonial building), the Donkin Reserve (where you will discover and learn about some of the art pieces on Route 67) and explore the Central Business District with its magnificent art deco architectural styled buildings.

Let an experienced guide reveal story behind the monuments, sports fields, art galleries, Cathedrals and Hotels that form the binding web of early society, which contributed to the establishment of the modern city of Port Elizabeth as we know it today.
